

# Guide rail clamps

## Guide rail clamp (for round rails)

Part. **229**

| Dp<br>Pin diameter<br>(mm) | With pin, nut<br>and washer<br>Code | Without pin, without<br>nut, with washer<br>Code |
|----------------------------|-------------------------------------|--------------------------------------------------|
| 12                         | 229 / 80681                         | 229 / 80609                                      |
| 14                         | 229 / 80682                         |                                                  |
| 16                         | 229 / 80683                         |                                                  |

**MATERIALS:** Clamp made of reinforced polyamide black colour; pin, nut and washer made of stainless steel AISI 304.

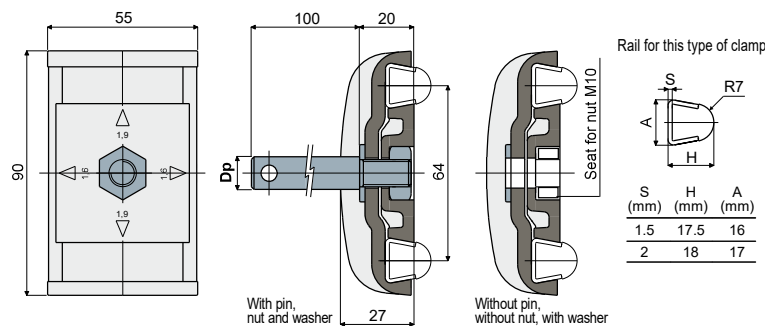

**FEATURES:** Supplied with pin, nut and washer or without pin, without nut, with washer.

**BOX QUANTITY:** 24 pieces.

**ON REQUEST:**

- Clamps: In reinforced polypropylene, in different colours.
- Box quantity: According to your request.

## Guide rail clamp (for trapezoidal rails)

Part. **230**

| Dp<br>Pin diameter<br>(mm) | With pin, nut<br>and washer<br>Code | Without pin, without<br>nut, with washer<br>Code |
|----------------------------|-------------------------------------|--------------------------------------------------|
| 12                         | 230 / 80684                         | 230 / 80611                                      |
| 14                         | 230 / 80685                         |                                                  |
| 16                         | 230 / 80686                         |                                                  |

**MATERIALS:** Clamp made of reinforced polyamide black colour; pin, nut and washer made of stainless steel AISI 304.

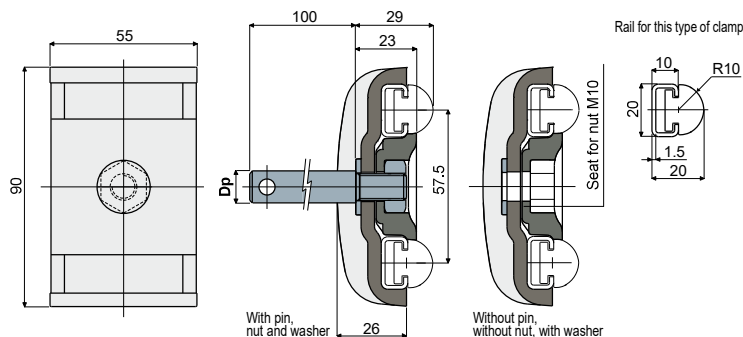

**FEATURES:** Supplied with pin, nut and washer or without pin, without nut, with washer. With this item it is possible to use thickness 1,5 and 2 mm guides, by rotating for 90° the central plate: Part.353, 354, 377, 418, 419, 420, 446, 469, 485, 514.

**BOX QUANTITY:** 24 pieces.

**ON REQUEST:**

- Clamps: In reinforced polypropylene, in different colours.
- Box quantity: According to your request.

## Guide rail clamp (for rectangular rails)

Part. **289**

| Dp<br>Pin diameter<br>(mm) | With pin, nut<br>and washer<br>Code | Without pin, without<br>nut, with washer<br>Code |
|----------------------------|-------------------------------------|--------------------------------------------------|
| 12                         | 289 / 82569                         | 289 / 82572                                      |
| 14                         | 289 / 82570                         |                                                  |
| 16                         | 289 / 82571                         |                                                  |

**MATERIALS:** Clamp made of reinforced polyamide black colour; pin, nut and washer made of stainless steel AISI 304.

**FEATURES:** Supplied with pin, nut and washer or without pin, without nut, with washer. To be used for the support of the product guide rail Part.373.

**BOX QUANTITY:** 24 pieces.

**ON REQUEST:**

- Clamps: In reinforced polypropylene, in different colours.
- Box quantity: According to your request.
